

DO YOU WANT A FIRE SAFE COMMUNITY?

The Shasta County Fire Safe Council and Western Shasta RCD invites You to attend a meeting to participate in the update of the **Shasta West Strategic Fuels Reduction Plan** created in 2003. A Strategic Fuels Plan is a valuable tool for addressing the challenges of reducing wildfires, property loss, natural resource loss, and suppression costs, and for increasing safety for our firefighters. **Refreshments will be served!**

When: Tuesday, March 23, 2010

Where: Old School House next to Shasta Community Services District 10711 French Alley, Shasta CA

Time: 6:00 PM

For more information or to RSVP: 365-7332 x206

Email: lee@westernshastarc.org, website: www.westernshastarc.org

We need your review and comment! Please review the proposed projects and enter your comments or suggestions on the reverse side of the form.
